35mm B/W Film or Medium Format Film

35mm BW film process by hand in tanks. Standard BW film developer is HC-110. Other developers are available by request and a 15.00 additional will be charged. Other developers would include XTOL, T-max, D-76 and many others*. (based on availability) Your film is then printed on an automated printer using Kodak Color paper. **Premium** service gets you "image cleaning" prior to printing and includes a CD.
