Haunemuhle Etching 350 gsm

310 gsm mould-made, acid free etching paper, with smooth surface, making it ideal for images which are highly detailed and photographic imagery.

Print Requirements:

Files must be organized in folders by print size and quantity - when submitting by CD/DVD
Files must be sized at print size at a maximum of 300 dpi for optimal quality, a minimum of 100 dpi
Files must be saved in JPEG format
Level 10 compression is recommended
Files need to be RGB colorspace
Roughly corrected for color and density

Custom printing services to provide better color matching to your originals and expectations are available. This process requires a series of guide prints to be produced before the final print is made. This process can take several passes to complete. Charges are 120.00 per hour digital time and test print costs are priced at standard print rates. Please contact us for guidance and further information and or assistance with custom printing services. There is a 75.00 minimum charge for this service.
